Llawer o'r rhai annibynnol wedi penderfynu cefnogi Plaid Cymru er mwyn cael arweinyddiaeth. 30 o gynghorwyr ond neb wedi cael digon i reoli eu hunain, ond 7 o'r rhai annibynnol wedi penderfynu bod sefydlogrwydd yn bwysig iawn ac felly wedi penderfynu gwneud hyn. 4. Letters to Discuss

- **Anonymous:** 'Concerned Resident', complaining about work in opening a gateway at Bodfryn. Has not created a new opening – there was a gate there before, so no illegal. Impossible to respond without a name or address.

5. Reports from any meetings

School governors' meeting. A meeting was held last Thursday. The Acting Head was in post for 2 years and now need to get a full time permanent head, so the post will be advertised in the next few weeks. Will be discussed in the next meeting.

6. County Councillor's Report

Two new county councillors – Dafydd Roberts, Eric Jones. Very little to report since the election was two weeks ago and they have not been through the whole process yet. Several of the independents decided to support Plaid Cymru in order to have leadership. 30 Councillors but nobody had enough of a majority to be the ruling party, but 7 of the independents decided that stability was the most important thing and so they decided to do this. Not much to report, a working committee has not been elected yet.

7. Financial Matters

Income this month:

First Precept payment: £2,616.67

Expenditure this month:

Hywel Hughes, translation in March and April – £148.75

Insurance – £787.99

What does the insurance include? Playground, some public footpaths. Bus stops, the cemetery. If anyone has an accident, it covers public liability.

Financial Strategy

If the Trigolion win the Shell grant, going to contribute £2000 to them, so that needs to be earmarked. Have spent on the playground. Considerable changes have taken place during the financial year but now time to sit back and survey the situation.

Would it be useful for the clerk to be able to view statements online? Need to look into this.

8. Any Other Business

No other business.
